SITUATION SUMMARY

Bomb Threat, Long Beach City College, Los Angeles County

- At 1115 hours the California State Warning Center (CSWC) received reports indicating that five buildings at the Long Beach City College campus were being evacuated after a bomb threat was called in and a suspicious device was located.
- The Cal OES Law Duty Officer advised that the LASD Bomb Squad responded to scene and a robot was deployed.
- At 1233 hours, per the Cal OES Law Duty Officer:
 - LASD advised the bomb situation, which was identified as a possible car bomb, has been cleared as unfounded. No bomb or device was located. They believe the reporting party was mentally unstable and the car's registered owner was present and cooperative.
 - Besides the evacuations of several LBCC buildings, the Long Beach Airport was shut down to all air traffic for approximately 20 minutes. This was done as the airport was within a 5 mile radius of the situation.
 - All evacuations and road closures have been lifted. Long Beach Airport is open to all air traffic.

Bomb Threat, Davis Schools, Yolo County

- On 01/15/15 at 1229 hours, the California Department of Public Health EPO Duty Officer advised the CSWC that they had received reports indicating three schools in Davis were on lockdown due to a phone call which was received by a school employee stating TNT or nerve gas would be dropped at North Davis Elementary Campus."
- Davis Police and the Yolo County Bomb Squad swept the school for explosives.
- Per the Cal OES Law Duty Officer, at approximately 1350 hours, Davis Police advised that the Elementary School has been cleared and no device was found.

Cal OES IT

- Per the Cal OES off going IT Duty Officer, the data circuit to the CSTI site is degraded. It is running at 2/3rds capacity. Restoration of the circuit may not occur before arrival of an upgraded replacement. The new circuit has just been delivered and is being configured. Estimated date of restoration: 01/20/15.

Cal EOC Incident – 2014 Drought

- SOC / Inland REOC remains activated in support of 2014 Drought

WEATHER

WEATHER SYNOPSIS BY REGION:

NORTHERN CALIFORNIA

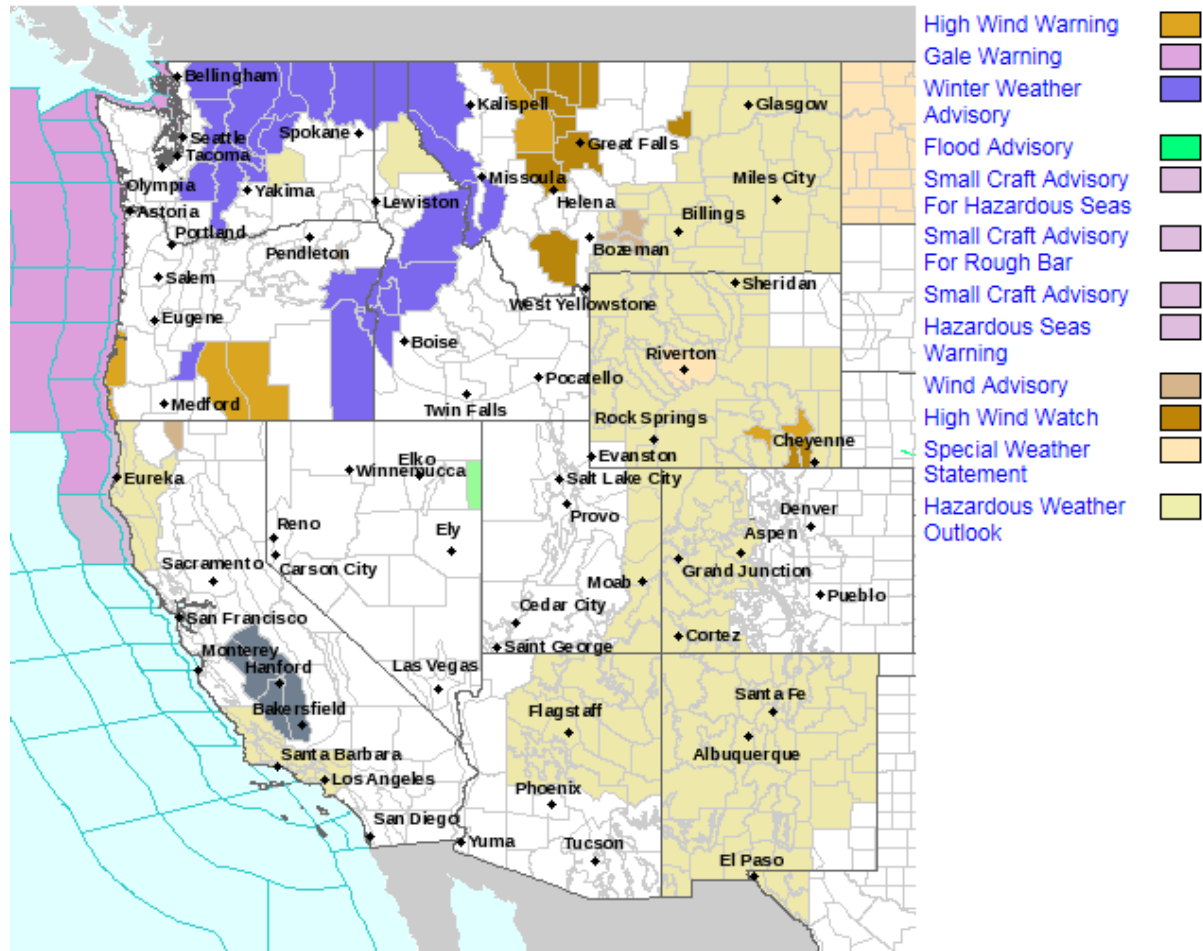

A series of weak low pressure troughs and frontal systems will move through portions of Northern California by late Sunday. A weak one will produce light rain across the far north and northern Coastal Range today. The second one will be stronger and produce areas of heavy rain in northwest California on Friday, with light rain possible as far east as Alturas and as far south as Petaluma. Moderate to heavy rain may linger into Saturday in far northwest California. A third system will reach the coast early Sunday with moderate rain. Light rain will spread to Susanville and the North Bay area during the day. The total rainfall through Sunday could reach two to five inches in far northwest California. Half an inch or more as far east as Alturas and as far south as Clear Lake, and a trace to 0.30 inches elsewhere. Snow levels will be relatively high, 7000 feet or higher, much of the time. Monday will be mostly to partly cloudy as the weather pattern begins to transition to high pressure and light north-east/offshore winds Tuesday through the end of the week.

SOUTHERN CALIFORNIA

Weak surface high pressure over the Great Basin will continue to bring local northeast to east winds of 10 to 20 mph with gusts to 35 mph for the mountains and below the canyons and passes of Southern California through this afternoon. A strengthening ridge of high pressure aloft will continue to bring slow warming and low humidity to the region through this weekend. Maximum temperatures will be in the 50s to low 60s across the mountains and upper 60s and 70s in the valleys today. Minimum humidity will be mainly between 12% and 25% away from the Central Valley and its surrounding foothills today. Temperatures will cool a degree or two on Monday as the ridge aloft weakens. A trough will drop in the Great Basin from the Pacific Northwest bringing significant cooling and an increase in humidity to the region Tuesday and Wednesday of next week. No precipitation is expected with this trough. Winds will be light across the region Friday through early next week.

RECOVERY ACTIVITIES

Magnitude 6.0 Earthquake, American Canyon, Napa County

- Cal OES and FEMA announced that the Major Disaster declaration for the South Napa earthquake will also include the Individuals and Households Program under the Stafford Act. This amendment makes assistance available to help homeowners and renters recover from the earthquake.
- As a result of President Obama's major disaster declaration, the U.S. Small Business Administration declared Napa and Solano counties, making residents and business owners eligible to apply for low-interest physical loss disaster loans. This declaration also made available low-interest Economic Injury Disaster Loans (EIDL) for businesses to apply in the primary counties of Napa and Solano, as well as the contiguous counties of Contra Costa, Lake, Sacramento, Sonoma, and Yolo.

Recovery Activities

Public Assistance

- RPA: 63 RPAs were received and 14 have withdrawn for a total of 49 FEMA approved open applications.
- Kickoff Meeting: 56 Kickoff Meetings have been completed leaving 1 remaining to be scheduled once through FEMA's review queue. It is currently anticipated all kickoff meetings will be complete by 1/7/2015.
- PW: 215 PWs are anticipated to be written as a result of the Napa Earthquake. Currently, 75 PWs are in draft, 63 PWs are entered into the federal database system, 51 of which have been obligated.
- Exit Briefing: 11 applicants have had Exit briefings conducted.

Individual Assistance

- The FEMA and State VAL continue to work with nonprofit organizations in Napa County regarding Long Term Recovery efforts. The Napa Earthquake Recovery Group, aka, eNERGy will be holding a general meeting.
- Cal OES IA Voluntary Agency Liaison (VAL) continues NGO coordination in Solano County. The Vallejo Earthquake Recovery Group (VERG), a long term recovery group, has formed and has established by-laws and elected an Executive Board. United Methodist Committee on Relief (UMCOR) will provide case management training to local organizations in Napa and Solano counties.
- The registration deadline for individuals and businesses to request FEMA and SBA assistance closed on Monday, 12/29/14.
- Assistance Centers – The Local Assistance Center (LAC) in Napa transitioned to an SBA DLOC on Tuesday 12/30/14. The smaller operation maintains a presence by SBA staff. Hours of operation are 8 a.m. to 4:30 p.m., Monday through Friday.

RECOVERY ACTIVITIES

2014 Statewide December Winter Storms

On 12/22/14, Governor Brown declared a State of Emergency in Marin, Mendocino, San Mateo, and Ventura Counties as a result of the statewide storms impacting California. At this time, Cal OES Regions and Recovery continue to work closely with all impacted operational areas to assess the impacts, losses, and costs of the December Winter Storm.
